

**COMFORT** base unit pull-out

Small dimensions –  
**extra convenience!**

With a choice of trays and tray heights, a COMFORT base unit pull-out adapts easily to the user's requirements. Other benefits: the range of widths, ultra-simple assembly, perfect damping and concealed runners.

Damping integrated invisibly in the runner

Fast assembly with clip-on connections

Narrow installation width

Trays and baskets hook on securely

Perfect action and high lateral stability

Standard with:

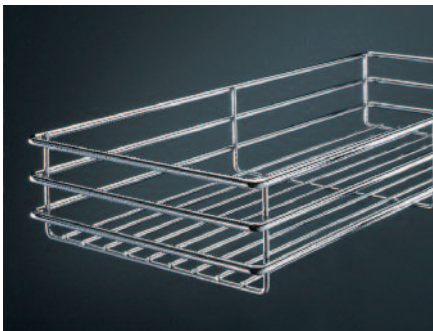

On request with:

**ARENA<sup>plus</sup>**  
*anti-slip finish*
