 swiss made

CONFIGURATIONS

anthracite

DISTINGUISHING FEATURES

- Large, round waste bin that swivels out of the unit and raises its lid when the unit door is opened
- With this super-sized bin, you can fill waste bags right to the top
- A stable system that is compatible with all hinged units
- Waste bags can easily be clipped firmly into place
- Suitable for waste bags of all sizes (max. circumference 110 cm)
- Easy to fit to the unit interior
- Resilient, no-maintenance mechanism
- Sturdy metal container designed for day-to-day use
